++ July 2012 – Fiebinger Polak Leon Attorneys-at-Law scoop Internet Award

What the Oscars are to the film industry, the Webby Awards are to the realm of the Internet. The website of the law firm (www.fplp.at) has been named as an “Official Honoree” in the category ‘Law’ of the *16th Annual Webby Awards*.

Praised by The New York Times as “the Internet’s highest honor”, the Webby Awards were established in 1996 in the United States. They have since become the most prestigious international seal of approval for exceptional achievement in the fields of the Internet, websites, interactive advertising & media, online film & video and mobile & apps. No fewer than 10,000 projects from more than 60 countries were this year divided into around 70 categories. In addition to the nominations, the jury of the International Academy of Digital Arts and Sciences (IADAS) recognised “Official Honorees”.

Dr. Sabine Hartzhauser, Head of Marketing & Business Development at Fiebinger Polak Leon Attorneys-at-Law: “Such awards are not just handed out to law firms every day. We are therefore delighted that not only the quality of our legal consultation, but also our web presence – developed together with marketing agency *theform* – has been so well received internationally. As one can see from the website, we are consistently building *The Next Generation Law Firm*”.
