3rd energy event

(SCHLOSS SCHÖNBRUNN TAGUNGSZENTRUM)

The Energy Event will bring together leading energy industry practitioners, regulators, bankers and lawyers from all over Europe who will attend to discuss some of the industry's most compelling issues in a private and secluded environment. Attendance is strictly by invitation only. No press shall be admitted. The Energy Event will be held at the Schönbrunn Palace Conference Centre, which is located in the former Apothecaries' Wing on the east side of the extensive palace grounds of Schönbrunn Palace, which is part of the World Cultural Heritage and Austria's most visited sight. Formerly housing the Cedrat House and the apothecary of the imperial family, this unusual conference venue is today notable for its atmosphere in which intensely focused discussion and debate can go hand in hand with wellbeing and relaxation.

Discussions will be held in small private meeting groups and will allow free exchange of thoughts. The conference will start on 6 September 2013 at 10.00 am and will conclude with a festive dinner at the Orangerie Schönbrunn on that day.

Details on the program as well as an application form will be sent out in due course.
